

**NOTICE TO THE PROFESSION RE: PARALLEL PROCEEDINGS
IN THE NOVA SCOTIA COURTS**

Tuesday, Jan. 30, 2018

The Registrars of Probate across the province want to remind counsel and self-represented parties that the Registrar of Probate should be notified immediately when counsel or a party becomes aware of proceedings in other Nova Scotia Courts that involve the same parties to an existing Probate proceeding.

This is necessary to ensure that parties and Courts are made aware of multiple proceedings dealing with similar or identical issues. The Registrars of Probate appreciate your cooperation on this matter. Please visit www.courts.ns.ca/Probate_Court/NSPBC_home.htm for more information on Probate Court.
