

Court Users Encouraged to Plan Ahead with Downtown Halifax Street Closures

Friday, Oct. 6, 2023

Counsel and others who have upcoming court appearances in downtown Halifax are encouraged to plan ahead, as street closures in the area may affect their travel.

Starting on Wednesday, Oct. 18, 2023, Cogswell Street, from Brunswick to Barrington streets, will be closed due to construction related to the Cogswell District Redevelopment Project. Motorists may detour via Brunswick, Duke or Cornwallis streets.

This phase of closures is expected to remain in effect until June 2024.

More information on the Cogswell District Redevelopment Project is available on the [Halifax Regional Municipality website](#).
